

INITIAL DISCLAIMER

Dessert Finance provides due-diligence project audits for various BSC projects. Dessert Finance in no way guarantees that a project will not remove liquidity, sell off team supply, or otherwise exit scam.

Dessert Finance does the legwork and provides public information about the project in an easy-to-understand format for the common person.

Agreeing to a project audit can be seen as a sign of confidence and is generally the first sign of trust for a project, but in no way guarantees that a team will not remove liquidity ("Rug Pull"), sell off tokens, or completely exit scam. It is ultimately your responsibility to read through all documentation, social media posts, and contract code of each individual project to draw your own conclusions and set your own risk tolerance.

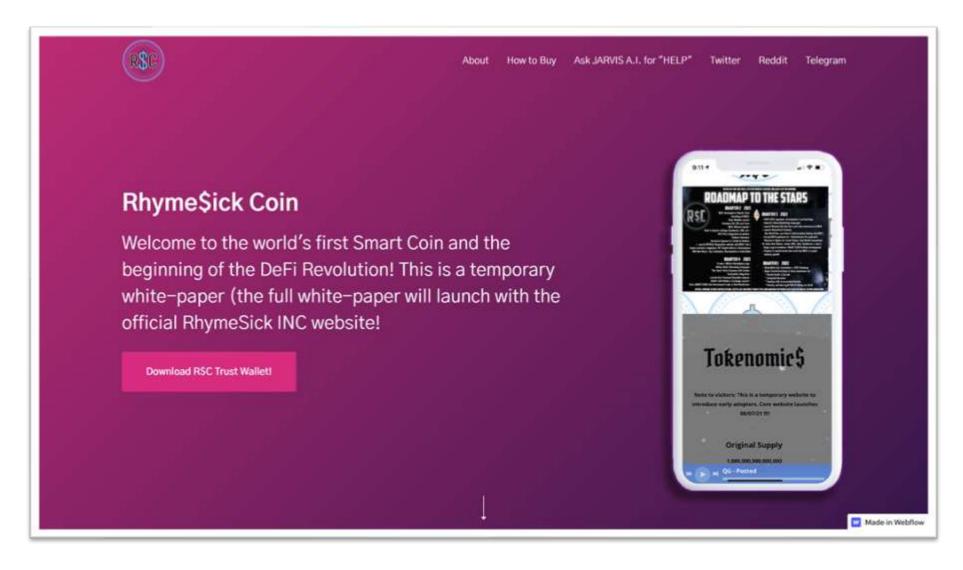

Dessert Finance in no way takes responsibility for any losses, nor does Dessert Finance encourage any speculative investments. The information provided in this audit is for information purposes only and should not be considered investment advice.

Social Media

We were able to locate a 3 Social Media networks for the project including Twitter, Telegram, and Reddit. All links have been conveniently placed below.

✓ Youtube Added: <u>Link to Youtube</u>

Social and Web – Final Thoughts & Suggestions for Improvement

We were able to track down 3 social media channels for the project. Twitter, Telegram, Reddit, and Discord were found. There was a healthy amount of activity on all of the social media channels.

The domain is currently registered for 3 years, we generally like to see a 3 year registration length for new projects as it shows longer term commitment to the project.

We have also been informed by the team that there are daily AMAs hosted and any time tokens are sold, there is a clear and transparent explanation.

It is important to note that there is an 10% tax on EVERY transaction including buys and sells. 5% goes to liquidity, and 5% is distributed to the token holders.

Suggestions for Improvement

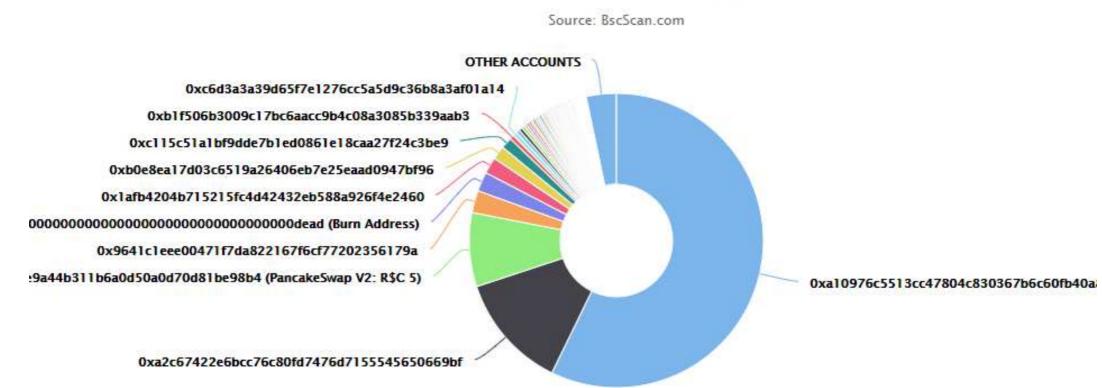

- 1. Consider adding more social media networks ✓ YouTube Added
- 2. Consider increasing domain registration length to 3+ years ✓ *Resolved*
