## INITIAL DISCLAIMER

Dessert Finance provides due-diligence project audits for various BSC projects. Dessert Finance in no way guarantees that a project will not remove liquidity, sell off team supply, or otherwise exit scam.

Dessert Finance does the legwork and provides public information about the project in an easy-to-understand format for the common person.

Agreeing to a project audit can be seen as a sign of confidence and is generally the first sign of trust for a project, but in no way guarantees that a team will not remove liquidity (“Rug Pull”), sell off tokens, or completely exit scam. It is ultimately your responsibility to read through all documentation, social media posts, and contract code of each individual project to draw your own conclusions and set your own risk tolerance.

Dessert Finance in no way takes responsibility for any losses, nor does Dessert Finance encourage any speculative investments. The information provided in this audit is for information purposes only and should not be considered investment advice.

# Social and Web – Final Thoughts & Suggestions for Improvement

We were able to track down multiple social media channels for Richie Rich Coin. Social Media channels included Twitter, Telegram, Instagram, and Reddit. All social media channels had a healthy amount of activity.

The domain is set to expire in 4 years which is greater than the 3 years we like to see and far exceeds the 1 year registration that most new tokens register for.

It is important to note that there is a 15% luxury tax on EVERY transaction including buys, sells, and transfers.

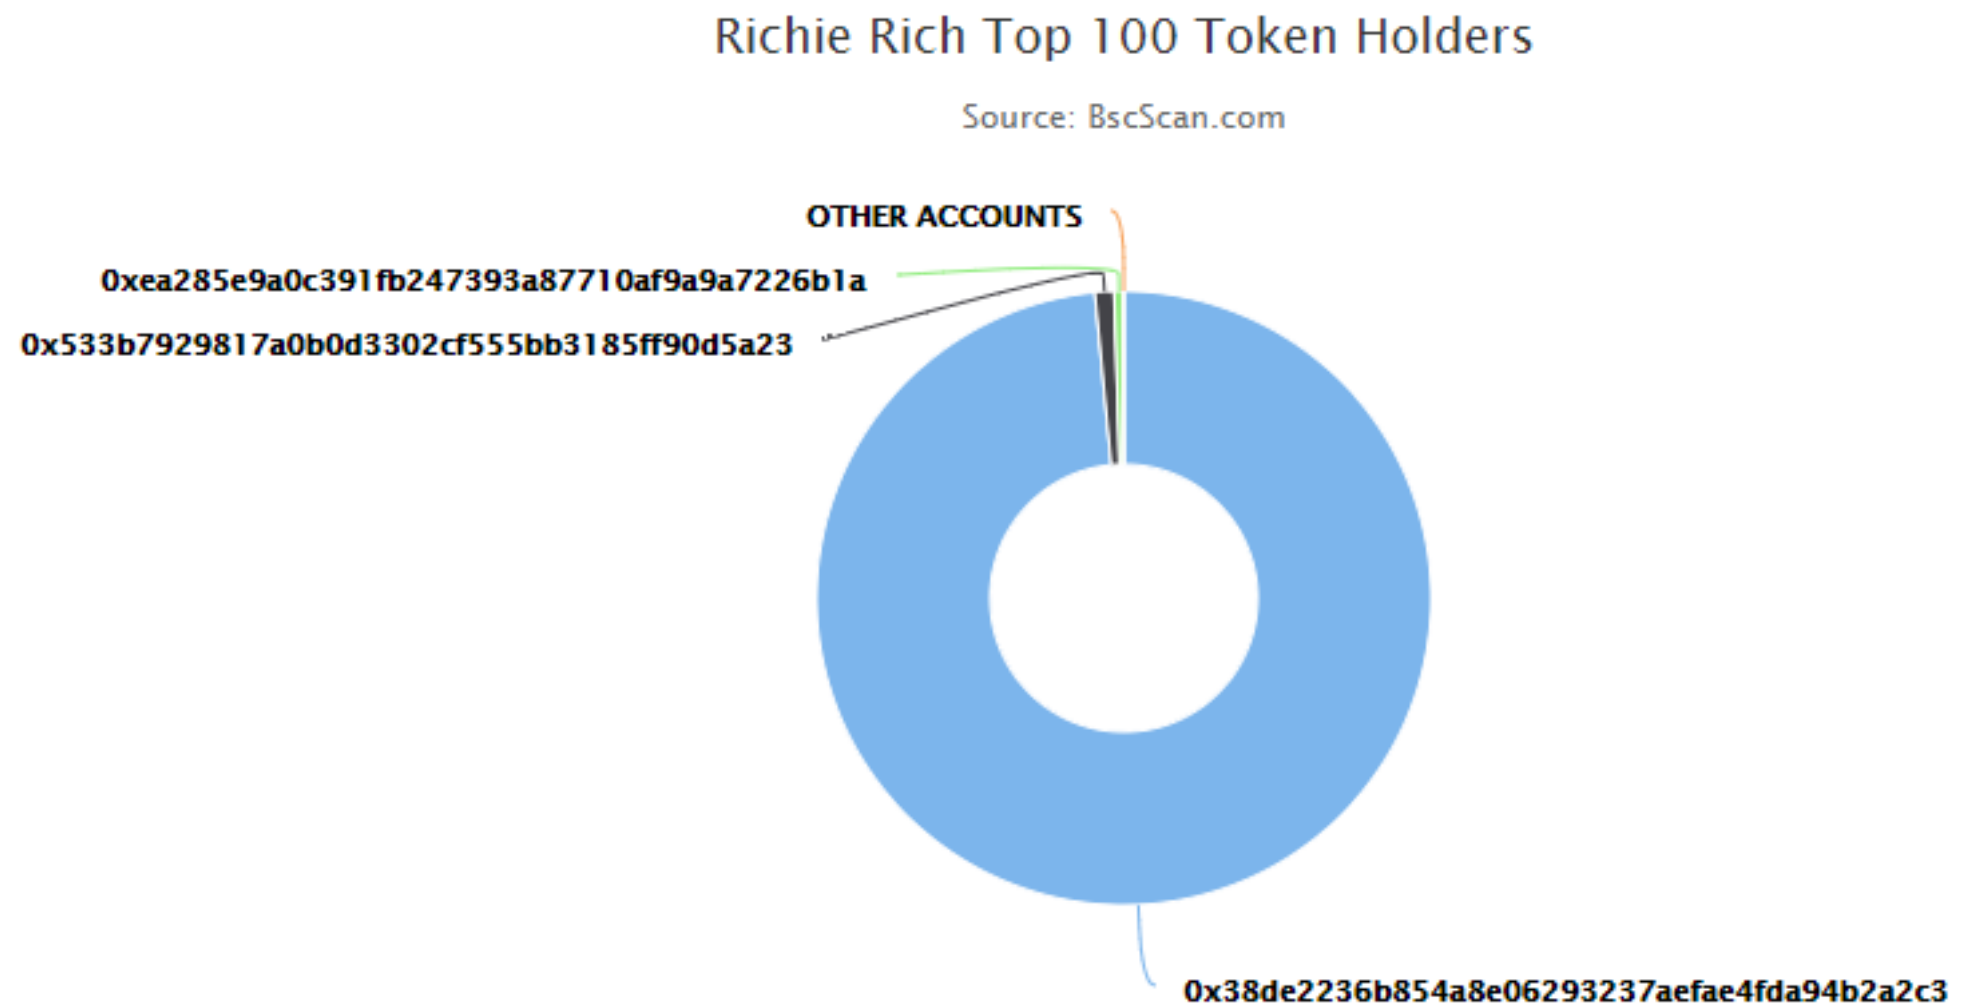

## Suggestions for Improvement

1. Consider having a pinned post on the subreddit.
2. Fix slippage on website.
3. Fix link to technical paper on website.

# Top Token Holders

The majority of the supply (98%) was in one wallet at the time of the audit however it is important to note that the project has not begun its presale or launch yet.

The top token holders at the time of the audit are shown as above.

## Location Audit

The team has verified that they are located in the USA.

# Team Overview

✓ *VERIFIED WITH DESSERT FINANCE*

The team chooses to remain anonymous at this time. However, it is important to note that the project leader has verified their government issued ID with Dessert Finance.

# Potential Signs of Risk
